

MRF Supply Chain Ltd are an environmentally conscious and responsible company. We recognise the importance of our environment, and the importance of conservation of resources and energy. It is important, as a responsible company, to ensure that we protect our environment while we conduct business. To this end we will identify and manage the significant environmental impacts of the business so far as practicable. The Company is committed to continual improvement on environmental issues where economically feasible.

The directors at MRF Supply Chain Ltd have made a policy decision to explore appropriate avenues open to it to ensure that care of the environment is a key consideration in The Company's work practices, processes and methods of operation. Management are committed to ensuring that environmental issues are carefully considered when making any decisions within the business that may affect our identified risks to the environment.

We will enforce Compliance with applicable environmental legislation, regulations and guidelines as stipulated by regulatory authorities and industry bodies.

We will monitor and improve operational efficiency and energy efficiency and in turn manage and look to sustain the Energy from Waste targets, reduce waste to landfill and our carbon footprint.

We will minimise the production of waste where possible and any disposal of waste produced will be carried out with due care for the environment.

Conduct activities in an environmentally responsible manner thereby minimising the effect on the environment and the potential for pollution.

We will try to minimise the use of new products where other recycled materials are a suitable substitute.

Where waste materials can be recycled we will make every effort to ensure that they are recycled in an environmental responsible way, to conserve resources.

We will encourage suppliers and contractors to behave in a responsible manner and to maintain sound environmental practices.

We will periodically review this Environmental Policy to ensure it is appropriate to MRF Supply Chain Ltd.'s purpose, context and strategic direction. The Policy will also provide the framework for the setting of environmental objectives and targets and programmes for achieving them.

Every employee of MRF Supply Chain Ltd is responsible for adhering to this policy and the collective environmental objectives contained herein.

The Policy is available to all members of staff and visitors to our site, displayed in our reception area or if otherwise reasonably requested.
